  - a) Fair Plan/Von Cremeans
    - All Sr. Fair Board received Modified Fair Plan A document via email
    - Modified Fair Plan A is a full fair format with grandstand events. Includes all State of Ohio issued safety guidelines and requirements.
    - PCAS continues to work with Pickaway County Health Department to assure a safe experience for all who choose to attend.
    - More guidelines are expected to be issued from the State of Ohio. Theme and water parks in Ohio are opening Friday, June 19.
    - Grandstand occupancy will be reduced, seating limited for events.
    - Information is ever changing. Situation still very fluid for planning.
    - Jr. Fair exhibitors will need to pay attention to Facebook page and website for updates, instruction and other information. Livestock show scheduled, move in and move out dates have been modified to accommodate 72 hour animal requirement.
    - Livestock sale and camping will have modifications.
    - Documents will be posted on website. Links to documents will be posted on Facebook page.
    - All Sr. Fair Board Directors are expected to thoroughly review the Modified Fair Plan A document and know it very well so that they can answer questions directly instead of sending people to Von for answers.
    - Scott Pritchard is working on securing a ride company. Our ride company decided not to go to any fairs/festivals this year, including ours.
    - The fair experience will look, feel, and be different. We ask for cooperation from the public to come prepared to comply and be patient so that we can have a great fair.
