LIVESTOCK SHOW FACT SHEET

Tony M. Forshey, Prev. DVM, Ohio Department of Agriculture

The Ohio Livestock Show Reform Act authorizes the Director of Agriculture to adopt mandatory and optional rules. Mandatory rules apply to all livestock shows, while the sponsor has the option to opt out of the optional rules on an individual rule basis. If a sponsor decides not to opt out of an optional rule, the rule then becomes mandatory. The following is a clarification of how the statute (Ohio Revised Code) and rules (Ohio Administrative Code) are to be interpreted and applied at all TERMINAL, PARTIAL TERMINAL and non-terminal livestock exhibitions in Ohio:

1. Livestock is inclusive of all species, except equine.

To exhibit an animal, members must have also completed annual requirements of possession, tagging, health regulations, Quality Assurance, on-line registration or paper registration if taking dogs or horses and Skillathon judging. Failure to meet the above requirements will prohibit the member from exhibiting livestock at the Pickaway County fair and/or Ohio State Fair for that year.
 2. During the fair animals must be penned as assigned and cared for properly. Failure to meet this rule will result in the following steps progressively:
 1. A yellow card will be placed on their pen.
 2. Meeting/communication will take place between specie chair, exhibitor and a parent.
 3. Exhibitor and all animals will be dismissed from the fairgrounds for the remainder of that fair and exhibitor will forfeit all Junior Fair premiums, money and prizes.
 3. Exhibitors must behave in a respectful and appropriate manner, follow instructions given by judges and committee members, follow the dress code when showing animals and not possess or use alcohol or illegal substances. Failure to do so will result in the exhibitor and animal being dismissed from the fairgrounds for the remainder of that fair. Exhibitor and animal will forfeit all premiums, money and prizes.
 4. Any violation of a county only rule such as release times, clipping, falsifying documents, the helmet rule for horse exhibitors, etc. will result in the exhibitor forfeiting all money and awards for the involved animal and not being permitted to exhibit that species at county or state for that summer and the following year's fair.
 5. Any violation of an Ohio Department of Agriculture rule will result in the exhibitor being reported to ODA and banned from all shows at Pickaway County and all Ohio exhibitions for a period of one to three years as determined by ODA and/or Pickaway County Agriculture Society. In the event that an exhibitor or exhibitor's parent/guardian is not satisfied with a ruling, a grievance may be filed. To file, state the grievance in writing, make cash or check deposit of \$50 (make checks payable to the Pickaway County Agricultural Society) file the grievance and deposit with the Senior Fair Board Secretary. The grievance will be reviewed by the grievance committee. If the ruling is not of favor to the exhibitor, the \$50 deposit will not be refunded.
