

Why consider sponsoring?

Pickaway County Agricultural Society takes pride in the opportunities we provide to our community and youth. As a sponsor for the Pickaway County Fair you can publicly show your support for our junior fair while advertising your services. With multiple educational, exhibition, agricultural, and entertainment events planned throughout fair week there are thousands of spectators and participants that come through our gates. Community support and youth enrichment is important to us. We appreciate your thoughtful consideration as you decide what level you would like to support Pickaway County's rich agricultural heritage and tradition, community, and youth.
